| S2406 | Inshore Fishing Trip | Thu., Mar. 7 | 7:45 am – 11:15 am | Leader: Julia |
| Many SINHG members have asked about a deep-sea fishing charter excursion. We have checked into that option and also the least expensive options of Inshore and near shore reef fishing. And decided this spring to try Inshore fishing which will take us to creeks and inlets looking for Redfish, trout, flounder, and shark for starters with some seasonal fish mixed in. Fuel, ice, bait, tackle and fishing licenses are included with the charter. You will need to bring food and drink. Sunscreen, sunglasses, and boat-soled shoes are recommended. | | | | |

| S2408 | Dolphin Encounter | Thu., Mar. 14 | 12:45 pm – 2:45 pm | Leader: Julia |
| Bottlenose dolphins live worldwide in temperate and tropical waters. With the abundance of food and warm waters found in South Carolina's coastal estuaries, the Atlantic bottlenose dolphins permanently reside in our bays, rivers, and beaches. As our Captain navigates the local waters aboard a custom built eco tour boat we'll search the inlets and tidal creeks of the Lowcountry marshes for our resident groups of inshore bottlenose dolphins. We are hoping to make it over as far as the shipyard and back in our 1.5 hours float. | | | | |

| S2411 | Behind the Scenes Seabrook Island | Wed., Mar. 27 <i>Rain date</i> <i>(Mar. 28)</i> | 9:45 am – 11:45 am | Leader: Lynn |
| Join us for a guided behind-the-scenes look at some of the things that we take for granted while living on Seabrook. Leading our tour is Steve Hirsch (Director of Engineering, SIPOA). Our morning begins at the POA building conference room with an overview of our road network and storm drainage systems, security, and landscaping. We will then board a Seabrook carriage to take a first hand look at some of our island’s infrastructure. We will meet the people in charge of the S.I.U.C. water and waste water systems and we’ll tour the fire station and talk to the firemen on duty. Since we will be in some industrial areas, closed-toe shoes and appropriate clothing are suggested. Minimal walking. Bug spray is recommended. If you sign up for the trip, please keep both the original and rain dates clear. | | | | |

| S2412 | Mace Brown Natural History Museum | Wed., Apr. 3 | 10:30 am – 12:30 pm | Leader: Norm |
| The Lowcountry in pre-history was inhabited by often bizarre creatures that swam, crawled or crashed through a very different landscape than we ourselves inhabit. This private tour of the College of Charleston’s Mace Brown Natural History Museum takes visitors on a time traveling exploration of the Lowcountry’s distant past, when turtles the size of small horses and sharks as big as whales roamed seas and swamps, and dinosaurs stomped through a changing maritime landscape. Their story, covering three billion years of evolution, is told with more than 15,000 fossils, including an internationally recognized collection of ancestral whale fossils. Your fee is a donation to the college’s Paleontology Scholarship Fund for graduate students. | | | | |

| S2413 | Harbor Pilot Tour | Thur., Apr. 4 | 9:00 am -1:00 pm | Leader: Lynn |
| <p>Charleston is home to the eighth largest container trade in the country. The Charleston branch pilots provide services to all vessels engaged in domestic and foreign trade entering and leaving Charleston harbor. The pilots handle vessels calling on Charleston's five Ports Authority Terminals: 7 private cargo terminals, 2 shipyards, 2 Federal Government facilities, and 3 marinas. State law requires a pilot on all foreign and US vessels with a draft greater than 11 feet. Pilots board <i>via rope ladder</i> approximately 15 miles offshore and give orders to steer the vessel through the harbor to its appropriate berth. They board departing vessels to provide the same service in reverse. This is a highly dangerous and specialized job. You'll meet some of the men in this section, watch a power-point presentation, and tour the Harbor Pilot building. This trip—one of our best—is a favorite with Seabrookers and we are pleased to run it again. To learn more read: https://www.charlestonpilots.com/</p> | | | | |

| S2414 | Cuckhold Creek Kayak Trip | Fri., Apr. 5 | 8:00 am – 1:00 pm | Leader: Dave |
| <p>Come paddle with us in one of our favorite venues – The ACE Basin. We will be led by Elizabeth, one of the best guides we have for our trips. This will be a gentle paddle and we will be passing old rice fields, rice trunks and at this time of year, the spring flowers should be wonderful. If the tide allows, we will actually paddle through an old rice field. We expect to see plenty of birds. This trip has not been done for several years and should be a great adventure!</p> | | | | |

| S2415 | Georgetown Plantation Tour | Fri., Apr. 5 | 8:00 am – 6:00 pm | Leader: Julia |
| <p>An annual SINHG favorite, this is the 75th running of the Georgetown Plantation Tour! Sponsored by the good ladies of the Prince George Winyah Episcopal Church, this tour features pre-Revolutionary and antebellum churches as well as privately owned town houses and plantations. There will be a lot of walking—wear low-heeled shoes (for your comfort as well as the protection of old floors and rugs). For more details, as well as information about other tour events please check the website: www.pgwinyah.org. Due to the 1½+ hour drive time and the number of homes to see, this will be a self-guided tour. You can pick and choose which places you'd like to visit and enjoy the day at your own pace. Reservations are prepaid. No refund if a replacement cannot be found.</p> | | | | |

| S2417 | US Coast Guard | Thu., Apr. 11 | 8:45 am – 11:45 am | Leader: Pat |
| <p>The U.S. Coast Guard is one of the five armed forces of the United States and the only military organization within the Department of Homeland Security. Since 1790, the Coast Guard has safeguarded our nation’s maritime interests and environments around the world. The Guard is an adaptable, responsive military force of maritime professionals whose broad legal authorities, capable assets, geographic diversity and expansive partnerships provide a persistent presence along our river, ports, shore regions and high seas. These attributes make the Coast Guard a unique instrument of maritime safety, security and environmental stewardship. The tour will include: Aids to Navigation Team (ATON), Buoy Yard and Small Boats, Station Charleston, CGC ANVIL, CGC CORMORANT. We will also be allowed to visit the Base Exchange. Moderate walking. Attendees should wear comfortable closed toe shoes and no heels please.</p> | | | | |

| S2418 | Farm to Table Culinary Tour | Fri., Apr. 19 | 10:00 am – 3:30 pm | Leader: Vivien |
| <p>This 3.5-hour tour showcases the seasonal bounty of the South Carolina Lowcountry and the creative prowess of a local chef. We meet our tour guide and chef du jour at Veggie Bin (neighborhood market for all things seasonal & local). Peruse the freshest produce our local farms have to offer and select ingredients to be utilized by the Chef for a unique dining experience at the end of the tour. While our chef returns to the kitchen to begin crafting the day’s findings into a multi-course lunch, we explore the historic Cannonborough Elliotborough neighborhood on a walking tour with our guide. After working up an appetite, we reunite with our chef at a local restaurant, where the tour concludes with a one-of-a-kind feast prepared from our Market selections, for a true farm-to-table experience. Moderate walking for 1.5 hours through a farmers market and local neighborhoods.</p> | | | | |

| S2419 | Deveaux Bank Ecological Tour | Sat., Apr. 20 | 9:45 am – 12:15 pm | Leader: Lynn |
| <p>Ahoy mates! The ‘Pirate Lady’ catamaran will leave from St. John’s Kayak Tours off 4474 Betsy Kerrison Parkway at 10:00 am and take us to Deveaux Bank (the island off the coast by our Pelican’s Nest restaurant). After viewing the island from our boat, we’ll disembark via gangway to the beach and walk around the island exploring the shoreline. We hope to see nesting and migrating shorebirds during our visit and some of the many dolphins that call our water home along the way. Expect moderate to strenuous walking on the beach and through some tidal pools. Wear comfortable shoes you don’t mind getting wet and bring water, sun block and bug spray! And don’t forget your binoculars and cameras too!</p> | | | | |

| S2420 | Charleston Tea Garden | Tue., Apr. 23 | 12:30 pm – 4:30 pm | Leader: Carol |
| <p>The Charleston Tea Garden is the only tea farm in North America where you can see hundreds of thousands of tea bushes stretching out acre after acre for almost as far as the eye can see. One of the great highlights of a visit to the garden is the Trolley Tour. The trolley ride takes about 35-40 minutes and you'll see the many acres of tea bushes. You'll learn more about tea both from our trolley guide as well as our founder, Bill Hall, who narrates a portion of the tour over the bus sound system. The trolley also makes a stop at the greenhouse where everyone departs the trolley to view up close and personal just what it takes to bring new tea bushes into the world. This trip is a once in a lifetime experience. This tour is not only educational but more importantly one-of-a-kind. The tea garden is handicap accessible and offers convenient parking and a gift shop.</p> | | | | |

| S2421 | Jeremy Creek Kayak Trip | Tue, Apr. 23 | 8:00 am-2:00 pm | Leader: Jim D. |
| <p>We begin our Paddle on Jeremy creek, located in the Historic Shrimping Village of McClellanville. We will be kayaking past historical coastal homes and Shrimp boats as we head out into the harbor. Islands of spartina and needlerush line the banks of our journey as we paddle through saltwater creeks to experience the living history of this unique area. The area is bordered by 64,000 acres of the Cape Romain Wildlife Refuge and another 11,000 acres of the Santee Coastal Reserve, it is also just north of the Francis Marion National Forest. This pristine wilderness is famous for it's "Bulls Bay Oysters" and delicious Shrimp. As we explore the creeks we usually see Dolphin, fish, and several species of coastal birds. There is the possibility of stopping at the shrimp docks after the paddle.</p> | | | | |

| S2423 | Sweet Grass Basket Class (2 days) | Thu., Apr. 25, Fri., Apr. 26 | 9:00 am – 1:00 pm | Leader: Carol |
| <p>Passed down from generation to generation since the 1700s, the sweetgrass basket craft is unique to the Lowcountry and represents one of the oldest West African art forms in America. In previous SINHG sweetgrass basket classes, you made a small basket. However, in this class, you will create a larger basket during TWO morning workshops. Our wonderful, ever-patient teacher is Sarah Edwards-Hammond, one of Charleston's finest sweetgrass artists and a 3rd generation basket-maker, having learned the craft from her mother and grandmother. She has taught basket-making in schools, clubs, and museums all over the state and is proud to be an annual instructor for many years at the John C. Campbell Folk School, located in Brasstown, NC. Our class will be held in the Eagles Nest Art Room at the Lake House. All materials are included in the price.</p> | | | | |
